WORK EXPERIENCE

Tarantulla.co

Internship, Frontend Developer

JAN 2025 – JUNE 2025

- Developed a full-stack website using React for the frontend and Firebase for the backend
- Implemented authentication, data storage, and real-time features using Firebase
- Collaborated with the team to design and build responsive UI components
- Optimized website performance and ensured smooth cross-browser functionality
- Used Git for version control and Vercel for seamless deployment

Girl Code Group

Hackathon Participant

AUG 2024 – SEP 2024

- Built a functional and attractive website with a partner, demonstrating strong teamwork and problem-solving skills
- Effectively collaborated to overcome design and coding challenges, ensuring smooth communication throughout
- Delivered a polished project by the end of the event, showcasing technical and creative abilities

IneTech Morocco

Freelancer, Frontend Developer

JAN 2024 – JUNE 2024

- Website Development: Specialized in building responsive, user-friendly websites using HTML, CSS, JavaScript, and Bootstrap
- Client Collaboration: Worked closely with clients to understand requirements and deliver tailored solutions
- Team Collaboration: Collaborated with other developers/designers to ensure smooth project execution
- Version Control: Managed projects using Git for version control and seamless collaboration
